

## July 6, 2022 Steers Meeting

Susan Sanmann, Mary Grande, Julia Crocetto, Bev Hart, and Gay Young were in attendance.

Mary reported on the member survey. 31 respondents indicated that:

- 65% are likely to enter the next Mancuso show

- 19% are not currently making art quilts

- Reasons for not entering include time constraints, size and theme issues, and being new to the process

The Exhibition Committee is preparing for the vote from membership on the themes for 2023..

Members are pleased with the organizations that received donations from the City Market funds and it was decided to give to those again this year.

Julia is getting information on the Community Art Show on Saturday, October 8.

A new challenge will be presented to the members at this month's meeting: make an 8" X 10" quilt to be ready by the November meeting. These will be entered in the Member's Show at the Art Center.
