

Steers Minutes

October 9, 2024

Attendance: Sharon Braunagel, Linda Beach, Marla Ferguson-Leek, Mary Grande, Bev Hart and Becky Chesnut

- Mancuso – Mancuso is no longer participating in Pacific International Quilt Festival. As such, we will only have one Mancuso show in 2025 and that will be the Pennsylvania Show in September. The theme “Fences” will be used for this show. Bev pointed out that she has already scheduled Lisa Flowers-Ross to be the Juror. Since this process will be done in-person, the turn-in date for this show would need to be at the May meeting. This date is early relative to the show dates, so we decided to take this option to the membership for approval.
- The AQuA membership with Confluence is due (\$60.00). We decided this should be approved by the membership at the October meeting.
- The proposed venue for the workshop with Lisa Flowers-Ross is the CSU Research Station and the charge is \$100.00/day. This was approved and Becky and Bev were charged with getting the payment sent for this event.
- Jacque has proposed the AQuA Retreat be held at the Chipeta Golf Club (\$100/day) on March 6, 7 and 8. We discussed possible pricing strategies and if 2 vs. 3 days for this event is optimal. It was decided this should be discussed with the membership.
- A review of the by-law changes was held, and it was decided that the by-laws were ready for review and approval by the membership.
- A discussion was held on the status of the new Steers Members for 2025. Jacque has volunteered for the At-large Position. As such, we are still missing people to fill the Head Steer and Secretary Position. This will be discussed with the general membership at the next meeting.
- Respectfully submitted: Sharon Braunagel
